

HAS Deer Resistant List -
Remember, Deer will eat *anything* if hungry enough!

Botanical Name	Common Name	Common Name	Botanical Name
Abies concolor	Concolor Fir	Alpine Currant	Ribes alpinum
Acer glabrum *	Rocky Mountain Maple*	American Plum	Prunus Americana
Achillea spp.	Yarrow	Anthony Waterer Spirea	Spiraea 'Anthony Waterer'
Amorpha canescens	Leadplant	Apache Plume	Fallugia paradoxa
Amorpha nana	Dwarf Leadplant	Barberry	Berberis spp.
Amsonia jonesii	Jones Bluestar	Basket-of-Gold *	Aurinia saxitalis*
Artemisia arbotanum	Southernwood Sage	Big Western Sage *	Artemisia tridentata*
Artemisia tridentata*	Big Western Sage *	Bluebell	Mertensia spp.
Atriplex canescens	Four-Wing Saltbush	Bluemist Spirea	Caryopteris clandonensis
Aurinia saxitalis*	Basket-of-Gold *	Burning Bush	Euonymus alatus
Berberis spp.	Barberry	Chocolate Flower	Berlandiera lyrata
Berlandiera lyrata	Chocolate Flower	Colorado Spruce	Picea pungens
Buxus spp.	Boxwood	Boxwood	Buxus
Caryopteris clandonensis	Bluemist Spirea	Common Hackberry	Celtis occidentalis
Celtis occidentalis	Common Hackberry	Common Juniper	Juniperus communis
Cerastium tomentosum	Snow-in-Summer	Concolor Fir	Abies concolor
Chaenomeles spp.	Quince	Creeping Oregon Grape	Holly Mahonia repens
Chamaebatiaria	Fernbush	Creeping Phlox	Phlox subulata
Chrysothamnus spp.	Rabbitbrush	Daffodil *	Narcissus spp.*
Clematis ligusticifolia	Ligusticifolia Clematis	Daylily*	Hemerocallis spp.*
Clematis orientalis	Oriental Clematis	Delphinium	Delphinium spp.
Clematis tangutica	Golden Clematis	Douglas Fir	Pseudotsuga menziesii
Clematis terniflora	Sweet Autumn Clematis	Dwarf Leadplant	Amorpha nana
Convallaria majalis	Lily-of-the-Valley	English Ivy	Hedera helix
Cornus sericea	Redtwig Dogwood *	Fernbush	Chamaebatiaria millefolium
Delphinium spp.	Delphinium	Flax *	Linum spp.
Dianthus barbatus	Sweet William	Four-Wing Saltbush	Atriplex canescens
Echinacea purpurea	Purple Coneflower *	Gambel Oak	Quercus gambelii
Echinops spp.	Globe Thistle	Globe Thistle	Echinops spp.
Euonymus alatus	Burning Bush	Golden Banner	Thermopsis spp.
Euphorbia spp.	Spurge	Golden Clematis	Clematis tangutica
Fallugia paradoxa	Apache Plume	Golden Currant	Ribes aureum
Galanthus spp.	Snow Drop	Goldenrod	Solidago spp.
Geranium spp.	Wild Geranium	Grape	Vitis spp.
Gleditsia triancanthos spp.	Honeylocust	Hancock Coralberry	Symphoricarpos 'Hancock'
Hedera helix	English Ivy	Honeylocust	Gleditsia triancanthos spp.
Helleborus spp.	Lenten Rose	Iris	Iris spp.
Hemerocallis spp.*	Daylily*	Jones Bluestar	Amsonia jonesii
Hibiscus syriacus	Rose-O-Sharon	Lavender	Lavandula spp.
Holly Mahonia repens	Creeping Oregon Grape	Lavender Cotton	Santolina spp.
Holodiscus dumosus	Rock Spirea	Leadplant	Amorpha canescens
Iris spp.	Iris	Lenten Rose	Helleborus spp.
Juniperus communis	Common Juniper	Ligusticifolia Clematis	Clematis ligusticifolia
Kniphofia spp.	Red-Hot Poker	Lily-of-the-Valley	Convallaria majalis
Lavandula spp.	Lavender	Lodgepole Pine	Pinus contorta
Leucanthemum spp.	Shasta Daisy	Marjoram	Marjoram spp.
Liatris punctata	Native Gayfeather	Mexican Hat Prairie	Ratibida columnifera

HAS Deer Resistant List - Remember, Deer will eat *anything* if hungry enough!

Botanical Name	Common Name	Common Name	Botanical Name
Linum spp.*	Flax *	Mint	Menta spp.
Lonicera tatarica	Tatarian Honeysuckle	Mountain Ninebark	Physocarpus monogynus
Mahonia aquifolium	Oregon Grape Holly	Mullien	Verbascum spp.
Marjoram spp.	Marjoram	Nanking Cherry	Prunus tomentosa
Menta spp.	Mint	Native Gayfeather	Liatris punctata
Mertensia spp.	Bluebell	Oregano	Origanum spp.
Narcissus spp.*	Daffodil *	Oregon Grape Holly	Mahonia aquifolium
Opuntia spp.	Prickly Pair Cactus	Oriental Clematis	Clematis orientalis
Origanum spp.	Oregano	Paper Flower	Psilostrophe spp.
Parthenicissus quinquefo	Virginia Creeper	Penstemon	Penstemon spp.
Penstemon spp.	Penstemon	Pinon Pine	Pinus edulis
Perovskia atriplicifolia	Russian Sage	Potentilla	Potentilla spp.
Petalostemon purpureum	Purple Prairie Clover	Prickly Pair Cactus	Opuntia spp.
Phlox subulata	Creeping Phlox	Purple Coneflower *	Echinacea purpurea
Physocarpus monogynus	Mountain Ninebark	Purple Prairie Clover	Petalostemon purpureum
Picea pungens	Colorado Spruce	Pyracantha	Pyracantha spp.
Pinus contorta	Lodgepole Pine	Quince	Chaenomeles spp.
Pinus edulis	Pinon Pine	Rabbitbrush	Chrysothamnus spp.
Potentilla spp.	Potentilla	Red-Hot Poker	Kniphofia spp.
Prunus Americana	American Plum	Redtwig Dogwood *	Cornus sericea*
Prunus tomentosa	Nanking Cherry	Rhubarb	Rheum spp.
Pseudotsuga menziesii	Douglas Fir	Rock Spirea	Holodiscus dumosus
Psilostrophe spp.	Paper Flower	Rocky Mountain Maple*	Acer glabrum *
Pyracantha spp.	Pyracantha	Rocky Mountain Zinnia	Zinnia grandiflora
Quercus gambelii	Gambel Oak	Rose-O-Sharon	Hibiscus syriacus
Ratibida columnifera	Mexican Hat Prairie	Russian Sage	Perovskia atriplicifolia
Rheum spp.	Rhubarb	Salvia (cooking sage)	Salvia spp.
Rhus trilobata	Three-Leaf Sumac	Sedum *	Sedum spp.*
Ribes alpinum	Alpine Currant	Shasta Daisy	Leucantherum spp.
Ribes aureum	Golden Currant	Silver Buffaloberry	Sheperdia argentea
Salvia spp.	Salvia (cooking sage)	Snow Drop	Galanthus spp.
Santolina spp.	Lavender Cotton	Snow-in-Summer	Cerastium tomentosum
Saponaria spp.	Soapwort	Soapwort	Saponaria spp.
Sedum spp.*	Sedum *	Southernwood Sage	Artemisia arbortanum
Sheperdia argentea	Silver Buffaloberry	Spirea	Spiraea spp.
Solidago spp.	Goldenrod	Spurge	Euphorbia spp.
Spiraea 'Anthony Waterer'	Anthony Waterer Spirea	Sweet Autumn Clematis	Clematis terniflora
Spiraea 'Vanhoutteii'	Van Houtte Spirea	Sweet William	Dianthus barbatus
Spiraea spp.	Spirea	Tatarian Honeysuckle	Lonicera tatarica
Symphoricarpos 'Hancock'	Hancock Coralberry	Three-Leaf Sumac	Rhus trilobata
Symphoricarpos albus	White Snowberry	Thyme	Thymus spp.
Thermopsis spp.	Golden Banner	Van Houtte Spirea	Spiraea 'Vanhoutteii'
Thymus spp.	Thyme	Virginia Creeper	Parthenicissus quinquefolia
Verbascum spp.	Mullien	White Snowberry	Symphoricarpos albus
Vitis spp.	Grape	Wild Geranium	Geranium spp.
Yucca spp.	Yucca (flowers eaten)	Yarrow	Achillea spp.
Zinnia grandiflora	Rocky Mountain Zinnia	Yucca (flowers eaten)	Yucca spp.

*Indicates plants eaten occassionally, but not destroyed

**HAS Deer Resistant List -
Remember, Deer will eat *anything* if hungry enough!**

Botanical Name	Common Name	Common Name	Botanical Name
----------------	-------------	-------------	----------------

Plants heavily watered and fertilized are more often eaten.
